EDUCATION

Middle Georgia State University | B.S. Computer Science & Applied Arts | GPA: 3.58 | Pres.
Georgia Southern University | B.S. Political Science, Minor: Economics | Aug 2022
PROJECTS

Employee Database Manager | Python, SQLite, Tkinter
<https://github.com/Davidsenseney/employee-db-manager>

- Developed a CRUD desktop GUI application using Python and Tkinter, implementing OOP principles for modular code structure.
- Integrated a persistent SQLite database with input validation to ensure data integrity and streamline employee record management.

Professional Portfolio Website | HTML5, CSS3, W3.CSS <http://hiredavidsenseney.com>

- Built and deployed a responsive, mobile-first static website (hiredavidsenseney.com) using the W3.CSS framework.
- Implemented client-side data persistence for contact forms using JavaScript and LocalStorage, managing hosting via Hostinger.

Skills:

- **Technical:** Python (OOP), TKINTER, SQLITE, HTML5, CSS3, W3.CSS, Data Structures & Algorithms, Git/GitHub, Unit Testing & Debugging, 2D/3D Design.
- **Professional:** Cross-functional Communication, Team Leadership, Data-Driven Analysis, Logistics & Inventory Management, Strategic Planning.

PROFESSIONAL SUMMARY

Highly analytical Computer Science student seeking a Software Engineer Internship. Proven background in high-stakes roles, leadership, and cross-functional communication.

EXPERIENCE

April 2024- Present: **Substitute Teacher, Bibb County**

Manage daily classes of 15-30 students (grades Pre-K to 12), rapidly adapting communication and instruction strategies to maintain operational continuity and student safety.

July 2023- February 2024: **Auto Parts Specialist, Five Star Dealerships, Macon**

Managed and maintained \$500K+ in parts inventory for seven brands; streamlined acquisition process based on historical sales data to reduce obsolete stock by 12%.

MAY 2020 – AUGUST 2025 SEASONAL: **Election Coordinator, Make Liberty Win Political Action Committee**

Managed a 5-person field team across 15 states, resolving 10+ operational issues per week and reporting status using daily quantitative metrics to campaign managers.

Activities

- Producing the Audiovisual aspects of the services at Ingleside Baptist Church
- The President of *Young Americans for Liberty* student chapter at Georgia University led the chapter to a period of 100% membership growth and activity.
